### MOTHER AND SON—MEET DEATH WHEN TRAIN HITS AUTO

Mrs. Emma Heard and Lindon Heard, 10 years old, of Vienna, Killed Near McDonough on Way to Motor-drome Races.

### HEARD ESCAPES DEATH BY LEAP FROM MACHINE

Both Automobile and Southern Train Were Traveling at Rate of About 25 Miles an Hour—Car Stopped on Tracks.

Mrs. Emma Heard, age 31, of Vienna, wife of J. F. Heard, Jr., son of the late Senator Heard, and her son, Lindon Heard, age 10 years, were struck and instantly killed by a train Tuesday afternoon about 2 o'clock, while crossing the Southern railway tracks one mile north of McDonough, Ga.

Mrs. Heard, with her husband and son, was on their way to the motor-drome at McDonough, to attend the races at the Motor-drome Tuesday night, when the accident occurred. The scene of the tragedy is located about a mile from McDonough. At this point a train cannot be seen from the road until the driver of a vehicle is near the tracks.

Mr. Heard, who was driving a car, which was a two-passenger roadster, was seated on the opposite side of the car from the approaching train, and was driving down the hill leading to the tracks at a speed of twenty-five miles an hour.

Mrs. Heard, on the other hand, first sighted the train, when the automobile was within ten yards of the track. She shouted to Mr. Heard that a train was coming and he immediately applied the emergency brake. The brake for some reason failed to perform its proper function and the car rolled on down to a dead stop directly in the path of the train. Seeing the front of the car from the track was within a few feet of the engine and dragged a distance of 15 feet, while the engine for 10 feet.

The train was stopped just when the car was about to be crushed. Mrs. Heard and her son were already outside the car when it was struck. The lives of both were saved.

His wife and son, however, were too late, and the train struck the automobile directly in the middle of the car, the rate of thirty miles per hour. Mrs. Heard was crushed to death, and the engine and dragged a distance of 15 feet, while the engine for 10 feet.

### BANDITS ROB TRAIN AND PUT HANDCUFFS ON THE MAIL CLERKS

Two White Men Hold Up the Fast Louisville and Nashville No. 4 Near Calera, Alabama.

### ALL REGISTERED MAIL TAKEN BY THE ROBBERS

Three Mail Clerks Handcuffed—Robbers Escape as the Train Enters the Suburbs of Birmingham.

Birmingham, Ala., August 5.—The mail car on the fast Louisville and Nashville train No. 4 from New Orleans was robbed early tonight by two unknown white men. All of the registered mail was taken, but no estimate could be made tonight of the amount secured.

The train reached Birmingham at 8:37 p. m. and two of the mail clerks, George Hovner and G. O. Turk, were found handcuffed on the train. The train was stopped just when the car was about to be crushed. Mrs. Heard and her son were already outside the car when it was struck. The lives of both were saved.

The robbers tied the mail car at Calera, on the dark side, after the train had begun to move. The clerks state that they were immediately turned around with pistols and ordered to turn their faces to the wall.

Robbers Leap From Train. Everett looked around once and was fired upon. The shot striking the nose of the car near his head. The robbers jumped from the train at Fourteenth street in Birmingham.

Chief Clerk Everett saw his box has no idea how much of value there was in the registered mail, but that the men took it all. He says they were both short, slender men, but they did not get a good look at the robbers' faces, as they were forced to keep their eyes turned to the wall.

The clerks first saw the robbers jump to the mail car on their hands and knees. One robber kept his pistol on the men while the other ran back the mail. The distance from Calera to Birmingham is 35 miles so that they had plenty of time to make a thorough job. No one else on the train apparently knew that the robbers were aboard.

Handcuffed Men Found. When the engineer stopped for the southern crossing at Fourteenth street, Birmingham, he happened to look back and saw the two men jump from the mail car door. This aroused his suspicion and an investigation revealed the handcuffed clerks.

A quick run was then made to the Louisville and Nashville station, where the alarm was given. Every police man was alerted and an investigation revealed the handcuffed clerks.

### With Session Near Close Lower House Is Plunged Into All Day Filibuster

With State's Revenues Showing Loss of Over \$1,000,000 and Need of Some Action to Relieve Financial Stringency Greater Than Ever, Whole Day Is Wasted by Legislators.

### EFFORT MADE TO FORCE COMMITTEE TO REPORT WEBB BILL, THE CAUSE

Wohlwend, of Muscogee, Leads Opposition to Resolution Introduced by Kidd, of Baker, and Is Given Assistance in Fight by Myrick and Shurpentine, of Chatham.

With six more days, exclusive of Saturday and Sunday, in which the legislature may take some action to relieve the financial stringency of the state, ninety-five counties heard from today, suffering from sixteen knife wounds, and is receiving medical attention here.

According to the story told by Cobb, he was attacked at Moniac by four Crawford brothers, and after killing one of them and wounding another, he was cut almost to death. He has severe scars on the head and was almost dismembered. He was carried to the woods where he remained all night, and was found Tuesday morning.

A message from Moniac states that the trouble between Cobb and the Crawford family is of long standing, growing out of some real estate transactions. J. M. Crawford met Cobb on his arrival at Moniac yesterday and requested payment of a debt he claimed was due him. The quarrel and shooting followed. Brothers of Crawford are said to have disarmed Cobb and to have cut him.

At 11:45 o'clock Tuesday morning the house was just ready for the special continuing order, which was the agricultural registration tax bill, when Mr. Kidd, of Baker, introduced a resolution claiming that the temperance committee had usurped the power of the house when it denied the house consideration of the Searcy-Bloxon (Webb) bill of the senate, which was to be introduced in the house.

This bill was referred by the temperance committee to a subcommittee which was instructed to look into the constitutionality of the measure and report to the 23rd session of the legislature. The question of the constitutionality of the federal bill is now pending in the United States supreme court.

Mr. Wohlwend, of Muscogee, immediately took the floor to oppose the resolution, declaring that the action of the house in denying the bill was not more than to withhold action on the bill until its constitutionality could be determined.

When Mr. Wohlwend continued to hold the floor, and Messrs. Myrick and Shurpentine, of Chatham, came to his aid, the house was forced to take the resolution that it was in the grasp of a filibuster.

### KEEP HANDS OFF, CRIES GEN. HUERTA TO UNITED STATES

Mexican President Announces He Will Not Treat With Ex-Gov. Lind, the Personal Agent of President Wilson.

### PROPOSAL TO MEDIATE AN INSULT TO MEXICO

Huerta Declares He Will Resist Any Insult to National Dignity—Implacable War to Be Waged on Rebels.

Mexico City, August 5.—President Huerta reiterated the declaration of his policy of "hands off" in the fight against the rebels. He said that he would not accept mediation or intervention of any kind, because national dignity and honor must be maintained. He declared also that he will not treat with the rebels, and much less will he do so if the insurrection that he is inviting a flagrant violation of our sovereignty.

"The question of dignity admits of no compromise and the present struggle should be conducted implacably until the national aspirations are satisfied. All should be joined in the bonds of peace, rejecting all suggestions of a violation of sovereignty and any insult that may be offered to our national dignity."

That any suggestion by Mr. Lind or any other foreigner that President Huerta shall resign in favor of a provisional president, or that a compromise be effected with the rebels will be treated as an insult to the government, was the sentiment of one man high in official life today. As simply a personal representative of President Wilson this man continued, Mr. Lind might come to Mexico, but if he attempted to interfere with the politics of the country he must be expelled.

Unless there is a radical change in sentiment it is not impossible that the reputation of President Wilson will be excellent. Already there is talk of public demonstrations of disapproval at his coming.

Washington, August 5.—With his former Governor John Lind, of Minnesota, on his way to Mexico City as the personal representative of President Wilson, the eyes of the administration today were turned expectantly to the capital of the southern republic for the next development.

Secretary Bryan expects Mr. Lind to be in Mexico City by the end of the week.

### GRILLED 12 HOURS BY LUTHER ROSSER JIM CONLEY INSISTS FRANK GUILTY MAN

Declaring That "I Don't Remember," or "No, Sir; I Didn't Say That," or Simply Affirming Blandly That He Had Lied on a Previous Occasion, Negro Sweeper Sticks to Story Told on the Witness Stand on Monday Morning Despite Most Rigid Cross-Examination of Trial.

### AFFIDAVIT BY MINCEY OF CONLEY CONFESSION IS DENIED BY WITNESS

Apparently Despairing of Breaking the Negro, Attorneys for Defense Appeal to Judge Roan to Strike All Evidence Relating to Alleged Previous Conduct of Frank Before Day of Murder on Ground of Irrelevancy—State Vigorously Protests Against Such Action and Judge Roan Will Decide Today.

Twelve and one-half hours under the merciless cross-examination of Luther Rosser, than whom no lawyer at the Atlanta bar has more tenacious for the average witness; twelve and one-half hours under the cross-examination of the witness stand and Luther Rosser stood firm. He said he did not remember. "No, sir, I didn't say that," or simply affirming blandly that he had lied on a previous occasion, Negro Sweeper Sticks to Story Told on the Witness Stand on Monday Morning Despite Most Rigid Cross-Examination of Trial.

No such record has ever been made in a criminal case in this county. On Monday Conley was on the stand five hours and a half, and the able attorneys for the defense failed to break him down; failed to rattle him; failed to get him to admit that he had lied on a previous occasion. He said he did not remember. "No, sir, I didn't say that," or simply affirming blandly that he had lied on a previous occasion, Negro Sweeper Sticks to Story Told on the Witness Stand on Monday Morning Despite Most Rigid Cross-Examination of Trial.

Conley may be telling the truth in the main, but he must be lying altogether. He may be the real murderer or he may have been but the second after the fact. Be these things as they may, he is one of the most remarkable negroes who has ever been seen in this section of the country. His nerve seems unshakable. He will be ready.

Lawyers Work in Vain. As stated in Tuesday's Constitution, the trial of Jim Conley for the murder of Mary Phagan, daughter of the late Senator Heard, is expected to continue today.

### \$30,000 VOTED HOME FOR WAYWARD GIRLS

Men and Religion Movement Leaders Scored by Members of Appropriations Committee.

The appropriations committee of the house Tuesday afternoon accepted the recommendation of its subcommittee to appropriate \$30,000 for the establishment and maintenance of a home for wayward girls. The location of the institution has not yet been selected, but the name will be "The Georgia Training School for Girls." Of this \$30,000, \$10,000 is to go for buildings, while the remaining \$20,000 is for maintenance.

Marion Jackson and other leaders of the Men and Religion Forward Movement and those interested in rearing wayward girls were present at the committee meeting, which was held especially for the purpose of considering the appropriation passed.

That Marion Jackson, of the Men and Religion Forward Movement, rose to a point of personal privilege in reply to a recent attack on the committee in the bulletin of the Men and Religion Forward Movement, Mr. Jackson said:

"I came to the legislature with my mind made up to champion the cause of this home. The purpose was to save and not to kill the appropriation for it. But I want to tell the authors of the Men and Religion Forward Movement bulletins that they have done more to defeat their bill than they have to help it. Together with the words of Christ, 'Forgive them, they know not what they do,' they have done more to defeat their bill than they have to help it."

Mr. Mott, vice chairman of the committee, also rose to a point of personal privilege, and said:

"I have taken up the cause of the wayward girls in the legislature, and I have done so in the name of the Men and Religion Forward Movement. I have done so in the name of the Men and Religion Forward Movement, and I have done so in the name of the Men and Religion Forward Movement."

## AMERICAN NOTE SENT TO THE BALKAN POWERS

United States Wants Religious Liberty Clause in the Peace Treaty.

Bucharest, August 5.—At the Balkan peace conference today Mr. Majorance, president of the conference, read a note from the United States government expressing a desire to see inserted in the treaty of Bucharest a stipulation assuring civil and religious liberty to the populations inhabiting territory which may be added or annexed.

The note stated that such liberty was the law in every country participating in the peace conference, and all the heads of the various delegations agreed it would be superfluous to think of inserting such a stipulation.

Washington, August 5.—The intention of the American government to make representations to the Balkan powers on behalf of the United States against the treatment of the people of Roumania by the United States government was advised that Roumania, now being deprived of civil rights, was being treated under the treaty of Berlin.

It is said, influencing the administration to ask that a guarantee of religious liberty be included in the proposed treaty of Bucharest.

A George Granger after hearing him  
talk. Then Mister Woodward, mayor  
of Atlanta, gave a fine talk and see  
that Atlanta was mighty glad to see  
them all.

Then they were speeches by a Mister  
Vaughan, Mister Cross, a Mister Hill  
and a lot of others. They were all  
mighty sorry and I was sorry when it  
was over.

In the afternoon I went round to see  
some of the folks I read about in "The  
Constitution Firing Line" and they show  
me all fine people. I met a young chap  
named Barton Morgan, who says he sells  
The Top Bread. That's the kind I like  
and I come to Atlanta and I  
show am going to tell Miriam's boy  
for it just taste better than any  
bread I ever met up with before.

I took a little trip over the town to  
see "Howie" to an old friend named  
Al Truitt. He is a part of the Ward-  
Truitt company, and had a white one  
which I did of dress goods and  
in show. I took a notion to see a fellow  
I'd read about named the Hirsberg.  
at his place I found a right smart  
bunch of boys, and they showed me a  
mighty fine time. He sells writing pa  
per, envelopes, baskets, rubber tobs  
and I saw and talked to some folks  
and in their best friends for a remember  
ance.

After that I struck it back to the  
hotel and a good dinner and  
in the evening, after supper I feel  
content and galled at some of the  
fellows I met up with at the convention.

Then I went to the Por  
tyth theater with the folks as he  
can give us and even the show. Ba  
rton says that there was some show  
I told you all a hell lot about it  
but I reckon you kin see my picture  
what I thought about it.  
I showed had one of the wash al  
most every time I ever seen over and  
I reckon I must get out now and  
see what all this is about to day.  
After a usual night.  
ST. HAWKINS.

The Blackwell-Wieland company are  
represented at these Atlanta display  
rooms by the G. Owen and J. W.  
Lowrey. Mr. Owen is a charter mem  
ber of the firm, while Mr. Lowrey has  
represented them in Mississippi for the  
last seven years.

W. A. Ward, president of the Ward-  
Truitt company, stated that they are  
very pleased with the results of the  
convention, combined with the convention  
and for the Ward-Truitt company have  
been and have purchased more bill.

# FIVE LEGISLATORS SENTENCED TO PEN

Convicted of Selling Votes in West Virginia Contest Over U. S. Senator—Never More to Hold Public Office.

Charleston, W. Va., August 5.—Sentences were imposed upon the five members of the West Virginia legislature by Judge W. C. C. Brown in the superior court. The legislators were convicted of bribery in connection with the election of a United States senator early in the year. The sentences follow:

Delegates R. C. Rhodes, Ralph Duff and H. P. Ashby, six years each in the penitentiary. State Senators B. A. Smith, five years and six months, and Delbert Davis, three years. In addition, the five are disqualified for life from holding any public office or office of trust.

Arrest of Judgment Allowed.—The sentence of the legislators came shortly after their trial in West Virginia. The five men were indicted in the superior court. After the sentences were imposed an arrest of judgment was allowed by the court to permit the legislators to make application for appeals to the state supreme court.

More than two months have been consumed in the trial of these charges, the first of their kind in West Virginia. There were seven legislators indicted, the five already mentioned being held on pending charges and the other two, Delegates J. M. Smith and R. T. Smith, on misdemeanor charges. The trial of the last two men will probably be deferred until another term of court.

Arrested in February.—The five convicted legislators were arrested in Charleston, W. Va., in the afternoon of February 11 by Sheriff Boushield in the presence of Public Prosecutor Townsend, who, with the aid of a private detective, investigated the rumors of bribery which were then circulating at that time in regard to the senatorial election. Before the arrest, it is alleged, they were said to be the active directors of the campaign for the election of the senator.
